Nourishing Treats:

Indulge yourself with sweet and savoury pops, slushies and mousse that spotlight the goodness of veggies with delectable taste from ingredients like mint, dill, ginger, cinnamon, blackberries and pineapple. They'll leave you feeling cooled, energized and ready for whatever the hot days bring your way.

A New Creamy Cool:

Move over milkshakes. There are some new creamy creations in town - inspired by subtropical regions, like India and Thailand. Meet the buttermilk masala chaas drink, frozen kaffir lime pie and mango lassi bites with coconut cream. Featuring both dairy and plant-based ingredients, they're the coolest delights around.
